

AGREEMENT FORM

This is an agreement between the Department of Computer, Information Sciences and Mathematics and the undersigned proponents of the capstone project entitled **eSugbo Market: A Web-Based Application for Buying, Selling and Delivery for Carbon Public Market.**

The undersigned agrees to submit the following:

1. 3 complete copies of complete capstone project document; and
2. 1 copy of sworn and recommendation letter.

These are to be submitted on or before **November 13, 2023**, 08:00AM – 05:00PM at the department office.

Failure to do so will automatically earn the proponents a grade of **NC** for the **IT4101/ICT146** this semester.

Signed this **12th** day of **November, 2023**.
